

LAFAMILIA PYGMY GOATS

EXPRESSION OF INTEREST

Thank you for showing interest in a LaFamilia Pygmy Goat. As we have the very best intentions for our goats, below is a short questionnaire we require before considering you as a prospective buyer.

Name: _____

Stud Prefix: _____

PIC number: _____

NPGAA Membership number: _____

Contact number: _____

Buck/Doe/Wether: _____

How long have you been breeding? _____

Where will the goat/s be housed?

How many acres are you on? _____

Tell me about your
herd: _____

Do you have an experienced vet available? _____

As I love to watch my goats grow and develop I like to follow their journeys on Social Media, do you have FB or Instagram?

What are your breeding plans? This will help me determine if I have something suitable_____

As my goats are getting smaller, I recommend a buck that is of a suitable size for breeding. A buck that is too big can pose serious health risks for doe's as well as kidding issues. What % is your buck?

Thank you for taking the time to fill out this form, much appreciated.

Finding appropriate homes for my goats is my number one priority whilst providing breeders with happy, healthy quality goats in a professional manner.
